Mayflower model created for the Isle
Comes with a game-ready model and the GIMP source file for the texture.

I explained how I made this model here: How-to grow glowing flowers

File(s):
mayflower.zip 1.1 Mb [1274 download(s)]

Hi Anthony, I'm glad you like it.

We're planning to release all of our art assets as Open Source, you can read more here:
http://www.kelgar.org/resources.html :)
